

FORTUNE WALLET

Pitch Deck V1.2

Confidential - In Stealth Mode

Wyoming, USA

www.fortune-wallet.com

Fortune Wallet Labs, Inc

Welcome to the future of Digital Asset Wallets

Meet the Digital Asset Wallet an
entire generation will know.

Fortune Wallet, Inc.

A short but mighty history.

2019

Born from an idea which started three years ago. Identifying a need in the industry for easy to use Digital Asset Wallets. Patents filed.

2021

Years of research, understanding, and battles to get Fortune Wallet where it is. With a company finally formed and an idea taking shape.

2022

Entering fundraising mode, looking for the right strategic partners to join us on this growth journey.

So, whats the problem

Sending Crypto Sucks

Copy and paste

Copy and paste a wallet address. Hope its on the right chain. Send a test amount and clog up the network.

Bad Domains

Use a terrible domain like you're in a 90's internet startup. Only applicable for a handful of chains.

Username

Username that work only within specific networks. Unable to tell what chain they are on. Still send test amount.

The Fortune Wallet Fix

Solving problems.

Custom Username

A custom username including the chain and your identifier become your wallet address.

Easy send and receive

Never copy and paste, write down, or use a domain again. Just an easy to use custom username.

Never lose Crypto

Goodbye sending crypto to the wrong person or the wrong wallet type.

Direct Competitors

- ◆ Unstoppable Domains
- ◆ CashApp
- ◆ PayPal

Indirect Competitors

- ◆ Solana
- ◆ Metamask

Timing

Why should you get involved?

Reason 1

The time is perfect for a platform which allows users to easily send and receive crypto assets.

Reason 2

Our technology is patented with more patents planned based on the master patent.

Reason 3

We're a realistic company, with a tangible road map to turn public in three years.

Target Market

Who are we targeting

Retail

Retail users who use Crypto assets on a casual basis, looking for an easy way to send and receive.

Commercial

Commercial clients, looking to make the acceptance of Crypto assets much easier.

Size the Market

How big is the Crypto market right now?

3 Trillion

Peak Market Size

1.7 Billion

Market Value

1 Billion

Unstoppable Domain Valuation

Business & Revenue Model

How the company will monetize

Initial period will be free to use. Building a user base is key to adoption.

Fortune Wallet will develop three models. Cell Phone Application, Web Based Application, and Web Based Plugin.

Fortune Wallet will begin selling special usernames, advertisement and promotional abilities, and charge a percentage of transaction fees for commercial clients

Patented Technology

Fortune Wallet uses proprietary, patented technology owned by the company to create a user experience like no other.

Provisional United States Patent previously owned by the company for a period of one year.

Full Patent 'with the United States Patent & Trademark Office' filed in the United States and pending approval.

Trademarked name 'Fortune Wallet' with MOU and Certification in place with Fortune Magazine group for use of the name.

Option to file 'Fortune Network' Trademark.

Additional Sub-Patents to be filed based on technology set after funding relating to other Cryptographic assets and methods.

Trademark secures the use of a customizable username becoming a wallet address including a 'ticker' and 'username'.
